

Amendments to the Drawings:

In the Notice of Allowance and Fee(s) Due, mailed from the USPTO on 1/7/2008, at page 2, item 2 of the Detailed Action, the examiner requests that Figures 1A and 1B designated by a legend such as "--Prior Art--" because only that which is old is illustrated.

The Applicant has attached a revised drawing Page 1 to include the "--Prior Art--" legend with Figures 1A and 1B.

Comments on Examiner's Statement of Reasons for the Indication of Allowable Subject Matter:

At page 4, item 5 of the Detailed Action, in the section "Regarding claim 10" at lines 5 and 6, the Examiner indicates that the prior art fails to teach or reasonably suggest "... employment of *tile* scene analysis algorithm to divide *tile* preview image into a coarse grid and compare *tile* course grid against a number of pre-stored grid patterns for..." (italics added by Applicant).

The applicant wishes to point out that "tile" does not appear in claim 10. It is respectfully submitted that the Examiner intended to recite this portion of the limitation as "... employment of *the* scene analysis algorithm to divide *the* preview image into a coarse grid and compare *the* course grid against a number of pre-stored grid patterns for..." (italics added by Applicant).

Additional Fees:

It is not believed that additional fees are due at this time; however, if any additional fee is required in connection with the filing of this Amendment, please charge the fee to Deposit Account No. 08-2025.

Respectfully Submitted,
Donald J. Stavely et al.
